Supplementary Piece

Candidates must be prepared to play ONE Supplementary Piece. This piece need not be from the Syllabus lists, and may be chosen entirely at the discretion of the teacher and student. It may represent a period or style of piece not already included in the examination program, but which holds special interest for the candidate. The choice must be within the following guidelines:

1) The equivalent level of difficulty of the piece may be at a higher grade level, providing it is within the technical and musical grasp of the candidate.

2) Pieces below the equivalent of Grade 3 level are not acceptable.

3) The piece must be for solo flute (with or without piano accompaniment). Duets and trios are not acceptable.

4) Candidates with exceptional talent for improvisation may wish to improvise on a theme of their choice. In this case, items 1 and 2 (above) will apply. Marks will be given for originality, musical inventiveness, and structural unity.

Special approval is not required for the Supplementary Piece. However, poor suitability of the choice may be reflected in the mark. Memorization is encouraged, although NOT required.

The candidate will be given a brief period to scan the score, but not to "practise silently" before beginning to play. Candidates must perform the rhythm section without counting aloud. It is recommended that candidates maintain a steady beat, and avoid the unnecessary repetition caused by attempting to correct errors during the performance.

Aural Tests

The candidate will be required:

i) at the candidate's choice, to play back OR sing back to any vowel, a short melody of six to eight notes, based on the first five notes of a major scale, after the Examiner has:
- ✓ named the key [only the major keys of *C, F, G* or *D* will be used]
- ✓ played the 4-note chord on the tonic [broken form]
- ✓ played the melody twice.

Following is the approximate level of difficulty:

ii) to identify any of the following intervals after each one has been played once by the Examiner in broken form:

ABOVE a given note	**BELOW a note**
major 3rd	*perfect 4th*
minor 3rd	*perfect 5th*
perfect 4th	*perfect octave*
perfect 5th	
perfect octave	

iii) to identify *major* or *minor* triad chords, solid form, in close, root position only. Each triad chord will be played ONCE by the examiner.

iv) to state whether a short piece in *chorale* style, about 6 to 8 in length, is in a *major* or a *minor* key, and whether the final cadence is either ***Perfect*** (V-I) or ***Interrupted/Deceptive*** (V-VI).

Viva Voce

Candidates must be prepared to give verbal answers to questions on the TWO List pieces selected for the examination. Candidates must ensure that all teaching notes and other written comments are removed from the score before the examination. The questions will include the following elements:

i) to find and explain all of the signs (including clefs, time signatures, key signatures, accidentals, etc.), articulation markings (legato, staccato, accents, phrase or slur markings, etc.), dynamic and tempo markings, and other musical terms and signs as they may be found in the two selected pieces.

ii) without reference to the score, to give the title, key and composer of the piece.

iii) to explain the meaning of the title of the piece.

iv) to give a few relevant details about the composer.

v) with direct reference to the score, to explain briefly simple form and key structures, including any obvious modulations.
