Supplementary Piece

Candidates must be prepared to play ONE Supplementary Piece. This piece need not be from the Syllabus list, and may be chosen entirely at the discretion of the teacher and student. It may represent a period or style of piece not already included in the examination program, but which holds special interest for the candidate. The choice must be within the following guidelines:

1) The equivalent level of difficulty of the piece may be at a higher level, providing it is within the technical and musical grasp of the candidate.

2) Pieces at the pre-Grade 1 level are acceptable.

3) The piece must be for solo clarinet (with or without piano accompaniment). Duets and trios are not acceptable.

4) Candidates with exceptional talent for improvisation may wish to improvise upon a theme of their choice. In this case, items 1 and 2 (above) will apply. Marks will be given for originality, musical inventiveness, and structural unity.

Special approval is not required for the Supplementary Piece. However, poor suitability of choice may be reflected in the mark. Memorization is encouraged, although NOT required.

Aural Tests

The candidate will be required:

i) to clap back the rhythmic pattern of a short melody, 4 bars in length, in 2/4 or 3/4 time, consisting of half, dotted half, quarter and eighth notes, after it has been played twice by the Examiner at the keyboard. Following is the approximate level of difficulty:

ii) to identify *major* or *minor* triad chords played once by the Examiner in broken form and in close, root position.

ii) the *major* common [four-note] chord of any key will be played once by the Examiner in broken form

slowly, ascending and descending. The chord will be in root position. One of the four notes will then be re-sounded for the candidate to identify by saying, at the candidate's choice:

EITHER its interval number [1, 3, 5, 8],
OR its tonic sol-fa name [doh, me, soh, upper doh].

Viva Voce

Candidates must be prepared to give verbal answers to questions on the TWO List pieces selected for the examination. Candidates must ensure that all teaching notes and other written comments are removed from the score before the examination. The questions will include the following elements:

i) to find and explain all of the signs (including clefs, time signatures, key signatures, accidentals, etc.), articulation markings (legato, staccato, accents, phrase or slur markings, etc.), dynamic and tempo markings, and other musical terms as they may be found in the two selected pieces.

ii) without reference to the score, to give the title, key and composer of the piece.

iii) to explain the meaning of the title of the piece.
